WHO WE ARE

Indulgence Food Design is a highly sought after luxury caterer that has created and designed innovative and bespoke menus for events across Adelaide for the last 25 years.

IFD have an outstanding reputation for exceptional food, event delivery and flawless service from corporate cocktail parties, intimate dinner parties to large country weddings.

Anna and the team have vast experience and thrive on making your vision come to life.

THE TEAM

Indulgence Food Design are a talented team with over 25 years of experience under the guidance of owner and Creative Director, Anna Gerlach.

Head Chef, Luke has been with the business for over five years and has been instrumental in crafting IFD's unique culinary journey. While their Sous Chef Michelle brings her wealth of culinary experience to the business, having led kitchens for over 10 years.

IFD's experienced Event Coordinator, Bec ensures every event detail is flawlessly planned. Together, Anna and Bec have been the grounding forces that empower their team, allowing IFD to now employ around 40 permanent and casuals.

The Indulgence Food Design team is on an international level of melting pot cuisine, a client is never at the mercy of a set menu because IFD are at the mercy of designing the best menu for each of their clients. At any one time IFD might have 30 events with 30 different menus – rarely is one ever the same!

MENUS

IFD specialise in crafting bespoke menus to suit any occasion. We are passionate about working with clients to achieve their dream menus that encapsulate and complement their event.

Our delicious, seasonal menus burst with flavour and are made from the best local ingredients.

Following are set menus that are examples of our style. We can happily adapt these to create bespoke dishes for your function. Anna and the team are constantly developing new dishes which reflect current food trends but are equally skilled in creating menus bursting with the classics, or modernising these to merge with current trends.

We can help guide you in your selections and put together a combination of items which will delight your guests. We also keep in mind the kitchen facilities available to you and will assist in sourcing and coordinating additional kitchen equipment if required.

CANAPES

Canapés are perfect for stand up functions or to welcome guests as they mingle at the beginning of a sit down event. We carefully create these tiny morsels to suit your style, the duration of the event, and your guests' dietary requirements. Larger items can be incorporated into the menu for longer events at which canapés need to be equivalent to a full meal.

We recommend:

4 items for 1 hour

6 items for a light snack 1.5-2 hours

8 items for a 2.5 hour cocktail party

10-12 items for a lunch / dinner session 3 hours

(not substantial but filling)

14 – 16 items for a substantial lunch or dinner reception 4 hours

Please note there is a \$60.00 + gst delivery fee if you would like the food delivered without a chef or kitchen hand. All menus are priced excluding chefs and kitchen hands. Waiting staff are an additional cost and are priced seperately.

GF are Gluten free items and V are Vegetarian items.
